

# PhrazerKitsune

Harmonizing Patient, Staff and System Performance!

## Implementation Guideline

# COVID-19 Screening & Management

### 1. Agreement Execution

Getting started with CITE Solutions is easy. We work in partnership with you to define the following elements:

- Use Case Specifics
- Volume of Phrazer/Kitsune Systems
- Demography Coverage
- Timeline & Rollout
- CITE Engagements
- Data Exchange/Information Flow

### 2. Pre-Go-live (Day 1-9)

GeaCom's implementation experts collaborate with your team to design a T.R.E. Program that meets your needs and empowers you to achieve defined goals. Design elements include:

- Staff Training
- CITE Engagements as fast as in 24h
- IT Integration

### 3. Go-Live (Day 10 and ongoing)

After efficient staff training, GeaCom provides onsite support for your "go-live" and beyond to ensure a smooth transition.

- Staff Training
- Remote Updates for Quick Expansions
- 24/7 365 Support Services
